EDUCATION (NEW WAVE)

Figure 8

A circular diagram divided into eight segments, each representing a different subject. The segments are labeled with numbers and subject names, and each contains a drawing. An arrow points to the center of the circle.

| Subject | Number | Drawing Description |
|------------------|--------|---|
| Science | 72 | Telescope and a diagram of attraction with arrows pointing towards a central point. |
| Social Studies | 70 | A group of people standing together, labeled "Families". |
| History | 74 | A group of people sitting at a long table, possibly in a classroom or meeting. |
| Mathematics | 80 | Geometric shapes including a pyramid, a cube, and a sphere, along with mathematical symbols like ∞ and $+$. |
| Sports | 5 | A basketball hoop and a person jumping to shoot a ball. |
| Literature & Art | 80 | An open book and a paint palette. |
| (Unlabeled) | 82 | An arrow pointing towards the center of the circle. |
